OUR PARISH AND COMMUNITY

June 26, 2011

Dear Brothers and Sisters in Christ,

This weekend we celebrate the Solemnity of the Body and Blood of Christ, also known as the Solemnity of Corpus Christi. This feast is an expression of our belief in the real presence of Christ in the Blessed Sacrament. In today's gospel, Jesus tells us that, "Whoever eats my flesh and drinks my blood has eternal life." The next time we receive communion, let us take special pause to remember this teaching and reflect on whether all we do, say and think is a reflection of our being a disciple of Jesus. Let us also pray for those who will or are preparing to receive their First Holy Communion, that they fully understand this belief in the real presence in the Blessed Sacrament.

This weekend is also our parish festival weekend. The Festival Committee along with many volunteers put in countless hours to make it a success both financially and as a parish family celebration. The festival also would not be a success without the help of all our parishioners who sell raffle tickets. Thank you to all who make this event something we look forward to every year.

We also welcome back a combined group of our choirs and cantors and instrumentalists who come together to make our 10:00 am Mass this weekend an especially joyful celebration of our parish family on the festival weekend. While our choirs are off for the summer, they will be starting in after Labor Day. If you are interested in becoming involved in music ministry or other liturgical ministries, please do not hesitate to contact me. We warmly welcome you! We will also again be doing summer children's and youth choir/bell sessions on Wednesday late afternoons and Friday mornings starting on July 27 and 29, 2011. Please contact me if you have a child or youth who is interested in participating in these sessions.

As we journey forth this week, may the belief in the real presence of Jesus in the Blessed Sacrament resonate in each one of us. Have a blessed week.

Director of Worship and Music

ST. BERNARD'S KIDZ CLUB SUMMER 2011

All ages will stay together until we have enough children and helpers to split into age groups. All helpers must have attended a Protecting God's Children class. Kidz Club will be located in the St. Bernard Parish Center. We will start in Room 3.

WELLNESS CLASSES

Cell-to-Cell communication is absolutely essential for multicellular organisms. The billions of cells of a human must communicate in order to develop from a fertilized egg and then survive and reproduce in turn. Communication among cells is also important for many unicellular organisms that must locate food and find mates in order to sexually reproduce.

Studies of cell signaling are helping to answer some of the most important questions in biology and medicine—in areas ranging from embryological development to hormone action to the development of cancer and other kinds of disease.

Melvin Gillen, GKCC, will join the Wellness Class June 27, 2011 Room 1, 6:30—7:30 pm. For information call Geri Nehls 249-7288 ext. 230 or ganehls@yahoo.com. All are welcome!

NEWS FROM OUR CATHOLIC PRESCHOOL

Saint Bernard Catholic Preschool is looking for the following items through the month of June. Scrap fabric, paper, small boxes (shoe boxes or smaller) glue sticks, and any other miscellaneous craft supplies like glitter, sequins, or buttons.

Our program is in the process of working on our Young Star certification and we need these items to help us have a variety of open-ended art materials. We are seeking 4 Star certification with Young Star. Young Star is a quality-rating program with the State of Wisconsin and W.E.C.A. The ratings are based on education, materials, curriculum and strategies in early childhood programs, that are rated from one through five. Currently we are working on staff development and utilizing the Creative Curriculum in our fall program.

Our fall program is filling up but we do have four openings in our Tuesday-Thursday program and two openings in our 4K preschool program. Please contact Renee at 249-7288 ext. 228 for further
